

IMS202 ENVIRONMENTAL POLICY

Data Eliminate is committed to:

- Caring for the environment and the prevention of pollution.
- Operating the business to the environmental systems required by ISO 14001.
- Abiding by all relevant legislation and applicable requirements.
- Minimising waste, promoting recycling, reducing energy and raw material consumption and reducing harmful emissions.
- Working with suppliers to promote positive environmental actions.
- Continually improving our environmental performance by setting objective, actions and targets.
- Communicating our policy within our organisation and to the public and to other persons working on our behalf.
- Working with and encouraging customers to fulfill the above objectives

Everyone is responsible for the environmental aspects of the company and for reducing their impact.

Managing Director
