IMS201 QUALITY POLICY

Data Eliminate Ltd is committed to:

- Providing customers with high quality services which meet requirements and are fit for their purpose.
- Operating the business to the systems required by ISO 9001: 2008.
- Enhancing the skills of management and staff through review and actively pursuing an on-going training policy, the objective of which is to prepare staff to perform their work more effectively.
- Complying with the requirements of and continually improving the effectiveness of the quality management system.
- Rigorously controlling & continuously monitoring internal procedures and the provision of services on all projects undertaken.
- Promoting the quality management system and ensuring implementation is achieved by internal auditing, management review, corrective and preventive action.

Everyone is responsible for the quality within the company and for maintaining high standards.
